ABHINAND A K

ANDROID DEVELOPER

Kannur, Kerala, India │ abhinandak8722@gmail.com │ +91 9400872230 │ **Github**

SUMMARY

Android Developer specializing in Kotlin and Jetpack Compose, with hands-on experience building and maintaining production mobile applications. Proven experience delivering offline-first features, real-time location tracking, and performance optimizations in user-facing apps. Strong focus on clean architecture, maintainable codebases, and reliable behavior under real-world network and device constraints.

PROFESSIONAL EXPERIENCE

Android Developer - Apps Team Technologies, Kochi　　　　　**Feb 2025 - Dec 2025**

- Built and maintained production features using Kotlin and Jetpack Compose following MVVM and Clean Architecture.
- Developed driver-facing UI flows optimized for frequent usage and unstable network conditions.
- Implemented offline-first data handling using Room and DataStore with REST API integration.
- Added real-time location tracking and route visualization using Google Maps SDK.
- Improved app startup and screen performance using Baseline Profiles and targeted refactoring.

Freelance Android Developer — Client Project　　　　　**Sept 2022 - Nov 2024**

- Developed and maintained a technician-facing CRM Android application for a long-term client.
- Redesigned key UI flows to improve usability and task efficiency for field technicians.
- Delivered iterative feature updates, bug fixes, and performance improvements based on real-world usage.

Android Developer Intern - Apps Team Technologies, Kochi　　　　　**Nov 2024 - Jan 2025**

- Contributed to production Android features using Kotlin, Jetpack Compose, and MVVM.
- Assisted with debugging, testing, and API integration within an active release cycle.

Android Developer Intern - Thathwaa Communications, Kannur　　　　　**Apr 2022 - Aug 2022**

- Built Android features for a CRM app used by technicians to manage service and repair entries.
- Integrated REST APIs and assisted with testing and workflow improvements.

SKILLS

Kotlin │ Jetpack Compose │ Coroutines & Flow │ MVVM & Clean Architecture │ Retrofit / REST APIs │ Room & DataStore │ Hilt │ Google Maps SDK │ Firebase

EDUCATION

Master of Computer Applications　　　　　**Sep 2022 - May 2024**
APJ Abdul Kalam Technological University
